Release of Academic Release 1.17

On January 16, 2024, ITS released Academic Release 1.17 which includes the following:

- Collection of High Impact Practice (HIP) Course Section Attributes for Diversity / Global Learning
- Modification of VSES014 to evaluate the building and room combination for certain course sections, instead of the room only.

This release must be installed in your Production Banner environment prior to submission for the Spring Mid-Term (MT) 20244 collection.

ITS would like to thank Georgia Southern University and University of Georgia for beta testing this release.
